"Practice Draft Test" - The Practice Test Sunday has space available to anyone who would like to participate. If you didn't pre register before the official test closed, it's not too late. Just email me at mariarizzuto@comcast.net if you would like to participate. We still have some spots open. The Practice Test is for anyone who HAS ALREADY DONE SOME CARTING, has a cart and harness, and would like to do a run through of a real test in a real test environment. It is an on- lead practice test. We use the same course as the regular test. It's a great way to see what you need to work on to be ready for the next draft test and to get advice from the draft test judges. The fee is \$15.00
